

Costa Rica Beach Holiday @ Westin Resort & Spa Playa Conchal

“Discover complete renewal at our all-inclusive resort, where ivory beaches and forests meet detailed service and a destination spa.”

In addition, the Westin Resort & Spa Playa Conchal was named one of the Top 25 Foreign Golf Resorts in 2010 by Conde Nast Traveler.

Where: Playa Conchal is located in Cabo Velas, in Costa Rica’s Guanacaste Province. Featuring gorgeous views of the Pacific, this beach is just south of Playa Brasilito and Playa Flamingo, and a short taxi ride from Tamarindo. The exotic 4-kilometer Playa Conchal beach owes its name to its unique sand, comprising millions of finely crushed seashells, and was awarded the Blue Flag eco-label for its cleanliness. Aquatic activities enjoyed here include fishing, snorkeling, marine life observation, deep-sea fishing, and scuba diving. Near this renowned beach are beautiful national parks and nature reserves. Local weather and water temperatures are enjoyable throughout the year, with sunlight lasting more than half the day in winter and spring months.
