

COLOMBIA TOURS: BOGOTA SAMPLER

3 Days / 2 Nights

"It was in 1538 when the conquistadors officially christened the site of Santa Fe de Bogota de Nuevo Reino de Granada de las Indias del Mar Ocean. Almost five centuries later, the capital has a nice short name, Bogota, a highly contemporary profile, and is home to museums, libraries, churches and public squares. The skyline is dominated by steel and glass buildings and residential areas mix the styles of Andalucia and Frank Lloyd Wright. Yet upon closer look, you'll find lovely colonial corridors along which to wander and museums full of ancient and contemporary treasures."
